## Tuesdays with Morrie: An Old Man, a Young Man, and Life's Greatest Lesson By Mitch Albom

**A special 20th anniversary edition of the beloved international bestseller that changed millions of lives**

Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it.

For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago.

Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger?

Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live.

*Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

### Editorial Review

#### Amazon.com Review

This true story about the love between a spiritual mentor and his pupil has soared to the bestseller list for many reasons. For starters: it reminds us of the affection and gratitude that many of us still feel for the significant mentors of our past. It also plays out a fantasy many of us have entertained: what would it be like to look those people up again, tell them how much they meant to us, maybe even resume the mentorship? Plus, we meet Morrie Schwartz--a one of a kind professor, whom the author describes as looking like a cross between a biblical prophet and Christmas elf. And finally we are privy to intimate moments of Morrie's final days as he lies dying from a terminal illness. Even on his deathbed, this twinkling-eyed mensch manages to teach us all about living robustly and fully. Kudos to author and acclaimed sports columnist Mitch Albom for telling this universally touching story with such grace and humility. --*Gail Hudson*

#### From Library Journal

A Detroit Free Press journalist and best-selling author recounts his weekly visits with a dying teacher who years before had set him straight.

#### From Kirkus Reviews

Award-winning sportswriter Albom was a student at Brandeis University, some two decades ago, of sociologist Morrie Schwartz. Here Albom recounts how, recently, as the old man was dying, he renewed his warm relationship with his revered mentor. This is the vivid record of the teacher's battle with muscle-wasting amyotrophic lateral sclerosis, or Lou Gehrig's disease. The dying man, largely because of his life-affirming attitude toward his death-dealing illness, became a sort of thanatopic guru, and was the subject of three Ted Koppel interviews on Nightline. That was how the author first learned of Morrie's condition. Albom well fulfilled the age-old obligation to visit the sick. He calls his weekly visits to his teacher his last class, and the present book a term paper. The subject: The Meaning of Life. Unfortunately, but surely not surprisingly, those relying on this text will not actually learn The Meaning of Life here. Albom does not present a full transcript of the regular Tuesday talks. Rather, he expands a little on the professor's aphorisms, which are, to be sure, unassailable. "Love is the only rational act," Morrie said. "Love each other or perish," he warned, quoting Auden. Albom learned well the teaching that "death ends a life, not a relationship." The love between the old man and the younger one is manifest. This book, small and easily digested, stopping just short of the maudlin and the mawkish, is on the whole sincere, sentimental, and skillful. (The substantial costs of Morrie's last illness, Albom tells us, were partly defrayed by the publisher's advance). Place it under the heading "Inspirational." "Death," said Morrie, "is as natural as life. It's part of the deal we made." If that is so (and it's not a notion quickly gainsaid), this book could well have been called "The Art of the Deal." --
