Uncoupling: Turning Points in Intimate Relationships By Diane Vaughan

Many books explain why relationships end, but never before has a book shown in riveting step-by-step detail precisely how they end. Through extensive interviews and original research, Diane Vaughan reveals the underlying pattern beneath every disintegrating relationship. This is a groundbreaking book that will help anyone who has ever left a relationship--or been left--to understand "what happened". Perhaps even more important, it will help some people who don't even know their relationship is in trouble to see what is happening. Armed with a new awareness of what is usually an unconscious process--until it's too late--the partners acquire the ability to either live with it, control it, or change it. Vaughan shows that no matter what the characteristics of the couple involved, rich or poor, straight or gay, married or not, and whether they've been together 18 months or 18 years, the dynamics of the uncoupling process are essentially the same. The key to understanding how two people separate, according to Vaughan, is the role they assume in the leavetaking. Most often, one partner--the initiator--wants out of a relationship while the other wants the relationship to continue. Although both people must go through the same steps in altering their perceptions of each other and themselves, they do so at different times. By the time the still-loving partner realizes the relationship is in serious trouble, the initiator is already gone in a number of ways. *Uncoupling* begins with the initiator's first secret awareness of discomfort, depicts his or her search for a confidant (who is selected is a telling factor), and reveals the subtle, often barely perceptible signalling of his discontent to the partner. Vaughan traces the initiator's groping for and testing of a new single identity and depicts the initiator's confrontation with the partner. She shows how two people try and why trying often fails. Finally, she explains how the partner makes his or her own transition out of the relationship. Replete with case histories, many poignant, the book provides answers to many puzzling questions: why one person can sometimes take the end of a long-term relationship so calmly...why counseling so often fails...why one member of a couple can be so much better prepared for a single life than the other...why some people never psychologically separate...and much more.

Editorial Review

From Library Journal

Vaughan's examination of the breakup of relationships from a sociological and psychological perspective identifies the key steps in uncoupling from both partners' points of view. This schema is supported by 103 in-depth interviews and solid documentation from the professional literature. Useful to professionals, this work is also invaluable to lay people both because it normalizes a universal experience often seen as idiosyncratic and because it will help those in the early stages of uncoupling to identify what is happening, enabling them to take the steps necessary to avoid the ultimate breakdown. Given the current divorce rate of approximately 40 percent, *Uncoupling* will have a wide readership and is recommended for general collections. John M. Haynes, Mediation Associates, N.Y.

From the Inside Flap

Now in trade paperback, the ground-breaking and carefully documented book that shows how couples come apart.

About the Author

Diane Vaughan is at Boston College.

Users Review

From reader reviews:

Cedric Baker:

Why don't make it to become your habit? Right now, try to ready your time to do the important work, like looking for your favorite reserve and reading a reserve. Beside you can solve your problem; you can add your knowledge by the publication entitled *Uncoupling: Turning Points in Intimate Relationships*. Try to make book *Uncoupling: Turning Points in Intimate Relationships* as your buddy. It means that it can being your friend when you really feel alone and beside those of course make you smarter than ever. Yeah, it is very fortunated for yourself. The book makes you far more confidence because you can know every thing by the book. So , we should make new experience as well as knowledge with this book.

Arlie Carrillo:

The experience that you get from *Uncoupling: Turning Points in Intimate Relationships* is a more deep you looking the information that hide within the words the more you get interested in reading it. It does not mean that this book is hard to know but *Uncoupling: Turning Points in Intimate Relationships* giving you buzz feeling of reading. The copy writer conveys their point in selected way that can be understood simply by anyone who read this because the author of this guide is well-known enough. This particular book also makes your own vocabulary increase well. It is therefore easy to understand then can go to you, both in printed or e-book style are available. We advise you for having this particular *Uncoupling: Turning Points in Intimate Relationships* instantly.

Richard Byrnes:

You are able to spend your free time to see this book this publication. This Uncoupling: Turning Points in Intimate Relationships is simple to bring you can read it in the park, in the beach, train and also soon. If you did not have much space to bring the actual printed book, you can buy the actual e-book. It is make you easier to read it. You can save typically the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Kerry Giles:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Uncoupling: Turning Points in Intimate Relationships can make you experience more interested to read.
