**11th Edition Blue Book of Airguns** By Dr. Robert D. Beeman, John B. Allen

This new 11th Edition of the Blue Book of Airguns is now 700 pages, and remains the most complete book on current airgun information and up-to-date values ever published. The airgun industry keeps improving its offerings to plinkers, target shooters, and maybe most importantly, hunters who want a viable alternative from firearms to harvest their game. The Blue Book of Airguns is the only publication that includes all the modern airguns, in addition to the hundreds of vintage airguns going back to the late 18th century!

## **Editorial Review**

### **Review**

With 125 years in the airgun business, Daisy is well-known for introducing young people to the shooting sports. And, we respond to the needs of discriminating adult shooters with our PowerLine and Winchester Air Rifle brands. The Blue Book helps collectors establish a value for their antique Daisy and serves as a directory for our exciting current product line. Most hunters and shooters took their first shot with a Daisy BB gun, and My first gun was a Daisy is a comment we never tire of hearing. While they may have an arsenal of airguns and firearms today, they value that first old Daisy as much as anything in their gun safe. For the shooting industry, It all starts here....with a Daisy. Thanks, Blue Book, for helping to preserve the shooting heritage that s so important to all of us. --- Ray Hobbs, President & C.E.O. and Chairman of the Board of Directors, Daisy Outdoor Products

### **About the Author**

Dr. Robert D. Beeman, founder of Beeman Precision Airguns, is considered the godfather of the airgun industry, and the person most directly responsible for the development of the adult airgun marketplace. John B. Allen is the long time Associate Editor for the Blue Book of Gun Values, author of the Blue Book of Modern Black Powder Arms, and editor of the Ammo Encyclopedia.

## **Users Review**

### **From reader reviews:**

#### **Stephen Ziegler:**
