Brawler By Scott Hildreth

All men suck! They lie, cheat, and break women's hearts. I'd all but given up on relationships when I met Ethan Harlow, a drop-dead gorgeous boxer at Kidd's Gym. He was sexy, muscular, tattooed, and talented. So, I decided to give boxing - and men - one last try. My name is Jaz. I'm a boxer. This story is about my rise to fame, all the while doing the two things I enjoyed more than anything on earth. F*cking and fighting. Along the way, however, I found out everything there is to know about being loved. And my life will never be the same.
