## Candy Licker: An Urban Erotic Tale By Noire

SHE WANTED TO BE A HIP-HOP STAR BUT THE STREETS GOT IN THE WAY.

Have you ever laid down with a man and wasn't sure if you'd ever get back up? Tossed the sheets with a bone-knocking fear that only a hard-core hustler could produce? Sexed him like your life depended on it, because in reality it did? You still with me? Then let's roll over to my house. Harlem. 145th Street. Grab a seat and brace yourself as I show you the kind of pain that street life and so-called success can bring. . . .

Nineteen-year-old Candy Raye Montana, an ex—drug runner for the Gabriano crime family and a former foster child, dreams of becoming a hip-hop superstar, if only someone will discover her talents.

Someone does. Mega music producer and king thug of Harlem, Junius “Hurricane” Jackson, CEO of the House of Homicide recording studio, cuts a deal and puts Candy on the stage. Suddenly she is a hot new artist on the notorious Homicide Hitz record label. Her career takes off and she blazes the charts, but it's not long before Candy realizes that the man she thought was her knight is nothing more than a cold-blooded nightmare.

Caught between the music and the madness, between the dollars and the deals, Candy belongs to Hurricane—body and soul—and must endure his sadistic bedroom desires while keeping his sexual secrets hidden from the world. But Candy has some strong desires of her own that simply cannot be denied, especially when she finds herself turned on by a brilliant investment baller who just happens to be Hurricane's right-hand man. Candy longs for her freedom, but if Hurricane gets wind of her betrayal the blowback will be lethal—and not only will she risk losing her recording contract, she just might lose her life.

## Editorial Review

From Publishers Weekly

If there was ever any doubt that pulp was alive and thriving, Noire's highly sexy, highly vivid *G-Spot* dispelled it. This follow-up delivers everything that lovers of this emerging micro genre—black urban erotic chick lit—are coming to expect: cribs full of music, sex, drugs and criminality; many dollars flying by; and an honest, often abused girl just trying to make it through. When Candy Raye Montana hooks up with Harlem rap don Junius "Hurricane" Jackson, she's expecting little more than a respite from serving as bait for stickups for her well-meaning but desperate mother and her mother's junkie boyfriend—and maybe a little luxury. But 'Cane turns out to be a major sociopath (with violent perversions that may be compensations for a small dick). Candy, unhappy and horny, turns to Internet cam mutual masturbation, but when Percy "Knowledge" Graham, Cane's lawyer, comes into her life, the love is real—and deeply satisfying. But Cane knows something's up, and Candy's life is more and more in the balance as Knowledge schemes to find a way for them to make a life together. Candy's first person and Knowledge's third begin to alternate chapters: both are completely absorbing and rarely miss. The cast of bling and trash extras are well-done and well-named. The most direct means to Candy's heart provides the novel's title. (*Dec. 27*)

Noire writes another sexy, gritty tale about the music industry. Junius "Hurricane" Jackson has a reputation for his genius at recognizing raw street talent. He is CEO of the number-one urban record label, House of Homicide, in Harlem. From coast to coast, Hurricane is as cruel as he is revered. Candy Raye Montana, a redhead with blue eyes, has lived a rough life. To escape the cruelty of serving as lure for her mother's stickups, she sings to keep living. At 17, Candy leaves Brooklyn to follow Nicky Gabriano to Los Angeles for a new start. When Hurricane offers her an audition, she becomes starstruck and shirks her obligations for a chance at fame and fortune. Hurricane claims Candy for himself and puts a lot of money and energy into her career. As her music climbs the charts, Hurricane becomes increasingly abusive and violent. When Percy "Knowledge" Graham, Hurricane's lawyer, comes into her life—their love only complicates Candy's situation. Knowledge schemes to find a way to save their lives and make a new life together. *Lillian Lewis*
