## **Editorial Review**

### **Review**

"Despite Eritrea's complex history, Tesfagiorgis (Univ. of Winnipeg, Canada) succeeds in presenting the material clearly in language that is accessible to general readers. In many respects, this work is similar to a specialized encyclopedia. Though it is geared toward general readers, others, including academic librarians and lower-division undergraduates, will find it to be a valuable reference tool. . . . Summing Up: Highly recommended." - **Choice**
