**Essential Japanese Grammar: A Comprehensive Guide to Contemporary Usage** By Masahiro Tanimori, Eriko Sato Ph.D.

***Essential Japanese Grammar* is an indispensable study guide for students of the Japanese language at all levels.**

Long the standard in Japanese language education, it provides clear, jargon-free explanations of how Japanese grammar works and offers hundreds of example sentences. It is an essential handbook for self-study or for the classroom and should be a valued resource for years to come. A strong foundation in grammar is vital to those wishing to learn Japanese as a whole.

*Essential Japanese Grammar* presents a number of unique features. First, grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required. Second, abundant example sentences written in Japanese characters (*kana* and *kanji*) followed by *romanji* and English translations. Third, the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books such as rare Japanese verbs, adjectival nouns, clauses adverbs, etc.

**This Japanese grammar book contains:**

- parts of speech.
- sentence constructions.
- conjugations forms.
- speech styles and tones.
- accentuation rules.
- essential words and functional elements.
- an appendix for referencing and cross-referencing Japanese words.

### Editorial Review

#### Review

"The book is very useful in conjunction with Japanese language text books and if you want to better understand the construction of the sentences and the word order... Another thing I liked about this book is that its content is arranged in alphabetical order which makes it easy to find what you are looking for."

—*Japan Reference blog*

"This is a very useful and informative book that is indeed essential for any serious student of Japanese..."
