Goddess Worship, Witchcraft and Neo-Paganism By Craig Hawkins

The twentieth century has seen a remarkable revival of "the Old Religion," as adherents of New-paganism call the native religious traditions of Europe and tribal traditions from North America that predated Christianity. Many neo-pagan groups identify with Celtic (Druidic), Egyptian, Native American, Norse, or Roman traditions; others with modern science-fiction motifs; and still others with witchcraft. Neo-paganism is occultic in nature. A central figure in much of Neo-paganism is the Mother Goddess, who has been introduced and worshiped among certain feminists even in some mainline Protestant churches. Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. Each book has five sections:

- A concise introduction to the group
- An overview of the group's theology -- in its own words
- Tips for witnessing effectively to members of the group
- A bibliography with sources for further study
- A comparison chart that shows the essential differences between biblical Christianity and the group

The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood. This is an age when countless groups and movements, new and old, mark the religious landscape in our culture. As a result, many people are confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys. The second wave of books in this series addresses a broad range of spiritual beliefs, from non-Trinitarian Christian sects to witchcraft and neo-paganism to classic non-Christian religions such as Buddhism and Hinduism. All books but the summary volume, *Truth and Error*, contain five sections:

- A concise introduction to the group being surveyed
- An overview of the group's theology ? in its own words
- Tips for witnessing effectively to members of the group
- A bibliography with sources for further study
- A comparison chart that shows the essential differences between biblical Christianity and the group

Truth and Error, the last book in the series, consists of parallel doctrinal charts compiled from all the

other volumes. Three distinctives make this series especially useful to readers: - Information is carefully distilled to bring out truly essential points, rather than requiring readers to sift their way through a sea of secondary details. - Information is presented in a clear, easy-to-follow outline form with “menu bar” running heads. This format greatly assists the reader in quickly locating topics and details of interest. -Each book meets the needs and skill levels of both nontechnical and technical readers, providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text. The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood.

Users Review

From reader reviews:

Katherine Levy:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The info you get based on what kind of e-book you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one using theme for entertaining for instance comic or novel. The Goddess Worship, Witchcraft and Neo-Paganism is kind of guide which is giving the reader unforeseen experience.

Jacob Keys:

The e-book with title Goddess Worship, Witchcraft and Neo-Paganism has a lot of information that you can understand it. You can get a lot of help after read this book. This kind of book exist new expertise the information that exist in this reserve represented the condition of the world today. That is important to you to be aware of how the improvement of the world. This specific book will bring you with new era of the globalization. You can read the e-book with your smart phone, so you can read that anywhere you want.

Steven Evans:

The reason? Because this Goddess Worship, Witchcraft and Neo-Paganism is an unordinary book that the inside of the book waiting for you to snap this but latter it will surprise you with the secret the item inside. Reading this book beside it was fantastic author who write the book in such awesome way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of gains than the other book have such as help improving your talent and your critical thinking means. So , still want to delay having that book? If I were you I will go to the e-book store hurriedly.

Stephen Morgan:

Does one one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Aim to pick one book that you never know the inside because don't determine book by its deal with may doesn't work here is difficult job because you are scared that the inside maybe not as fantastic as in the outside appearance likes. Maybe you answer is usually Goddess Worship, Witchcraft and Neo-Paganism why because the fantastic cover that make you consider with regards to the content will not disappoint an individual. The inside or content is fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.
