Editorial Review

Review

This volume represents the first real attempt to teach Sicilian using the current thinking about how languages are learned. It is designed to empower the student to communicate his thoughts in Sicilian to native speakers. It provides not only the linguistic tools that are needed to communicate, but also the cultural information essential to communication. It consists of 18 chapters plus a preliminary lesson. Each chapter presents grammatical points that are integrated with useful exercises that make sure that the students not only understand the rules but are able to manipulate the language in creative ways. Each chapter contains dialogues, often humorous, readings and other linguistic material that present a comprehensive picture of the culture of Sicily. As students' understanding increases, the culture of Sicily is highlighted through well written and humorous readings dealing with a number of aspects of Sicilian life, geography, history, myth, and poetry. --Sicilia Parra, xxiv-2, Fall 2102

About the Author

Professor Gaetano Cipolla is Professor Emeritus from St. John's University. He is regarded as the leading scholar for Sicilian language and culture in the US. He is president and editor of Arba Sicula, and he is the principal editor of Legas in New York. He has written extensively on Sicilian culture. His *Siciliana: Studies on the Sicilian Ethos*, contains some of his most important essays. He is also the leading translator of Sicilian poetry into English, with more than a dozen volume to his credit.

Users Review

From reader reviews:

Rose Warfield:

In other case, little persons like to read book Learn Sicilian / Mparamu lu sicilianu (English and Italian Edition). You can choose the best book if you like reading a book. As long as we know about how is important the book Learn Sicilian / Mparamu lu sicilianu (English and Italian Edition). You can add know-how and of course you can around the world by the book. Absolutely right, because from book you can recognize everything! From your country till foreign or abroad you will find yourself known. About simple factor until wonderful thing you are able to know that. In this era, we could open a book as well as searching by internet unit. It is called e-book. You can utilize it when you feel uninterested to go to the library. Let's study.

Meredith Daugherty:

The book Learn Sicilian / Mparamu lu sicilianu (English and Italian Edition) make you feel enjoy for your spare time. You can utilize to make your capable considerably more increase. Book can being your best friend when you getting tension or having big problem with your subject.
