Moranthology By Caitlin Moran

The follow-up to Caitlin Moran's breakout hit, *How to Be a Woman*—A hilarious collection of award-winning columns, available to American readers for the first time ever.

Possibly the only drawback to the bestselling *How to Be a Woman* was that its author, Caitlin Moran, was limited to pretty much one subject: being a woman. *Moranthology* is proof that Caitlin can actually be "quite chatty" about many other things, including cultural, social, and political issues that are usually the province of learned professors or hot-shot wonks—and not of a woman who once, as an experiment, put a wasp in a jar and got it stoned. Caitlin ruminates on—and sometimes interviews—subjects as varied as caffeine, Keith Richards, *Ghostbusters*, Twitter, transsexuals, the welfare state, the royal wedding, Lady Gaga, and her own mortality, to name just a few. With her unique voice, Caitlin brings insight and humor to everything she writes.

Editorial Review

From [Booklist](#)

The truth will set you free, some say. In Moran's case, it will make you guffaw. The British columnist is nothing if not bracingly honest, from her commentaries on Keith Richards (everything he says is "in the cadence of Pirate") to her own sartorial insecurities ("I need to know if I look like some manner of 'Lady Ace Ventura—Pet Detective'"). In this follow-up to *How to Be a Woman* (2012), Moran once again opines on American and British pop culture, touting *Ghostbusters* as the greatest film of all time (against which *Star Wars* doesn't stand a chance) and BBC smash hit *Sherlock* as the television program that puts all others to shame. (It doesn't hurt that its star, Benedict Cumberbatch, is a total hunk.) Moran has some serious moments, too, including a paean to the power of local libraries—"cathedrals of the mind; hospitals of the soul; theme parks of the imagination." This witty and wise collection is sure to expand Moran's fan base on this side of the pond. --Allison Block

Review

"Caitlin Moran is not only hilarious, sharply intelligent and so much more than a 'shit Dickens or Orwell, but with tits'; she is one of the most astute social commentators hitting a keyboard today." (**Abby O'Reilly, *The Independent***)

"A brilliant follow-up to *How to Be a Woman*....If you are a fan of common sense, comic writing and pop culture, buy [*Moranthology*] immediately." (**Roisin Ingle, *The Irish Times***)

"[Moran's] skill as an interviewer lies not in the killer question but in the way she conveys being there and messing it up. She is gleeful and rueful and on the money." (**Claudia FitzHerbert, *The Spectator***)

"*Moranthology* is a merry ramble on anything and everything. A diffuse collection allows Moran to show off her strengths: a broad range of interests, an almost canine enthusiasm, and a love of the world and its people that radiates from every page. (**Malena Watrous, *San Francisco Chronicle Book Review***)

"In *Moranthology*, a collection of [Moran's] greatest hits, she has full rein to unleash a barrage of scorchingly funny and uncensored opinions on the rest of the known universe." (**Elissa Schappell, *Vanity Fair Best Books of the Year***)

"Fans of Ms. Moran will be especially pleased that all the pith and wit about *How to Be a Woman* remain on display in *Moranthology*." (**Rachel Hurn, *Wall Street Journal***)

"The truth will set you free, some say. In Moran's case, it will make you guffaw... This witty and wise collection is sure to expand Moran's fan base on this side of the pond." (**Allison Block, *Booklist***)

About the Author

Caitlin Moran's debut book, *How to Be a Woman*, was an instant *New York Times* bestseller. *How to Build a Girl* is her first novel since the one she wrote at fourteen, which doesn't count.

Users Review

From reader reviews:

Fred Scott:

Nowadays reading books become more than want or need but also get a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want truly feel happy read one together with theme for entertaining such as comic or novel. The actual Moranthology is kind of book which is giving the reader erratic experience.

Scott Fisher:

Are you kind of stressful person, only have 10 or maybe 15 minute in your morning to upgrading your mind expertise or thinking skill even analytical thinking? Then you are having problem with the book when compared with can satisfy your short time to read it because all of this time you only find book that need more time to be go through. Moranthology can be your answer mainly because it can be read by you actually who have those short spare time problems.

Johnny Grady:
