The Fiery Cross (Outlander) By Diana Gabaldon

The dazzling fifth volume of Diana Gabaldon's extraordinary Outlander saga, featuring 18th-century Scotsman James Fraser and his 20th-century time-traveling wife, Claire Randall.

The year is 1771, and war is coming. Jamie Fraser's wife tells him so. Little as he wishes to, he must believe it, for hers is a gift of dreadful prophecy—a time-traveler's certain knowledge.

Born in the year of Our Lord 1918, Claire Randall served England as a nurse on the battlefields of World War II, and in the aftermath of peace found fresh conflicts when she walked through a cleftstone on the Scottish Highlands and found herself an outlander, an English lady in a place where no lady should be, in a time—1743—when the only English in Scotland were the officers and men of King George's army.

Now wife, mother, and surgeon, Claire is still an outlander, out of place, and out of time, but now, by choice, linked by love to her only anchor—Jamie Fraser. Her unique view of the future has brought him both danger and deliverance in the past; her knowledge of the oncoming revolution is a flickering torch that may light his way through the perilous years ahead—or ignite a conflagration that will leave their lives in ashes....

Grand, sweeping, utterly unforgettable, *The Fiery Cross* is riveting entertainment, a vibrant tapestry of history and human drama.

From the Hardcover edition.

Editorial Review

Amazon.com Review

The fiery cross, once used to summon Highland clans to war, now beckons readers to take up Diana Gabaldon's fifth installment in the Outlander series featuring the time-traveling Frasers. Historical fiction fans who have waited four long years since the publication of *Drums of Autumn* will thrill to Gabaldon's trademark detail and sensuality, both displayed liberally throughout the nearly 1,000 pages of *The Fiery Cross*. In this pre-Revolutionary War period, Claire Fraser and her husband, Jamie, have crossed oceans and centuries to build a life together in the bucolic beauty of North Carolina. But tensions both ancient and recent threaten not only Claire and James, but their daughter, Brianna, her new husband, Roger, and their infant son, Jemmy, as well as members of their clan. Gabaldon delivers on what she does best: poignant storylines, empathetic characters, meticulous detail, and searing passion. Savor every carefully chosen word, readers; it may be a long time until the next installment! --Alison Trinkle

From Library Journal

Get ready for Gabaldon. Starting in July, the publisher will set the stage for her latest by actively promoting her backlist titles featuring 18th-century Scotsman Jamie Fraser. In the new novel, Jamie learns from his 20th-century wife that the American Revolution is coming.

Review

“Addictive in the extreme.”—*Toronto Star*

“A word-of-mouth cult success and a publishing phenomenon.”—*Kitchener-Waterloo Record*

“Leaving out the history, the time-travel and fantastical subplots, the wit and irony, battles and heroes and villains, what will keep loyal readers and attract new is this fine portrait of two immensely admirable and interesting characters.” —*London Free Press*
