### An S. E. Hinton Collection: The Outsiders & That Was Then, This is Now

By S. E. Hinton

As popular today as they were when first published more than thirty years ago, *The Outsiders* and *That Was Then, This Is Now* are finally available in one handy edition!

Both titles incorporate universal themes of loyalty, independence, and alienation in a realistic voice that speaks directly to young adult readers. *The Outsiders*: Growing up in a rough city surrounded by violence, Ponyboy and his friends learn what it means to defend your turf and to stand up for each other. *That Was Then, This Is Now*: Mark and Bryon are practically brothers—they have no family to speak of—but they eventually come to a point in their lives where they have difficult choices to make; choices that might separate them forever.
