Cases and Materials on EU Law By Stephen Weatherill

Cases and Materials on EU Law is one of the most well-respected EU law texts available. With his clear and engaging writing style, Stephen Weatherill presents the main constitutional and substantive areas of EU law alongside the themes and principles which have shaped the development of the EU and its policies.

The 11th edition provides a wealth of carefully selected case law and engaging extracts and materials to help explain the complexities of EU law in a contextualized and thought-provoking manner. Insightful author notes and questions accompany each extract, providing valuable additional detail to ensure understanding and encourage students to engage critically with the material.

Online Resource Centre

Accompanied by an Online Resource Centre which features a range of resources including updates on cases and legislation since publication, an interactive map and timeline showing the development of the EU, archive video footage from the European Commission and useful web links to EU law sites. There is also a section for lecturers containing useful tips on how to make the best use of the casebook.
