- * 125 trails, each rated on an overall-quality scale of 1 to 5
- * Full-color photo insert and overview map
- * 1% of sales donated to the Washington Trails Association for trail maintenance

The Central Cascades offer some of the most accessible wilderness areas for urban Seattleites, with trails no less stunning or enjoyable than those in more remote regions. *Day Hiking Central Cascades* includes 50% more hikes than other regional guidebooks and focuses on cream-of-the-crop trails in these areas: Whidbey Island; Skykomish, Wenatchee, and Icicle River Valleys; the Entiat Mountains; the Lake Chelan area; and more. Compact in size, this is the most up-to-date guide for the area, organized along highways and other travel corridors, and with an emphasis on trails that are 12 miles or less, round-trip, each of them hiked by the author.

***Mountaineers Books designates 1 percent of the sales of select guidebooks in our Day Hiking series toward volunteer trail maintenance. Since launching this program, we've contributed more than \$14,000 toward improving trails.*

For this book, our 1 percent of sales is going to Washington Trails Association (WTA). WTA hosts more than 750 work parties throughout Washington's Cascades and Olympics each year, with volunteers clearing downed logs after spring snowmelt, cutting away brush, retreading worn stretches of trail, and building bridges and turnpikes. Their efforts are essential to the land managers who maintain thousands of acres on shoestring budgets.
