Editorial Review

From School Library Journal

Grade 8-11—Tiny senior-class genius/spitfire Jane Jarvis is seriously out of place in St. Teresa's Preparatory School for Girls in Providence, RI. Although she considers herself to be above the school's traditions, she wants to help her clueless best friend, Ally, obtain a good freshman sister at the annual Big-Little ceremony. Alas, when Ally forcefully vomits in front of the entire student body, she needs more than Jane's help. After a brief period of avoiding her schoolmates, all of a sudden she's cool, gorgeously attired, confident, and sophisticated. Well, everyone knows that high school is hell, so it makes semi-sense that demons abound, and Ally has sold her soul to one. Jane is determined to save her. Odd things start happening, from giant hailstorms to self-igniting textbooks, and Jane sadly bids farewell to her family and throws herself into mortal—and immortal—danger. Just when all seems lost, a believable plot twist ties the ends together. Well-developed characters are Johnson's forte, and readers will delight in meeting the heroine's friends and, especially, her family. The scenes in the Catholic high school are hilarious without making a mockery of religion (for example, Sister Rose Marie gives Jane a demerit for lack of caution in adverse conditions for rushing through the lobby when the power goes out). Buy multiple copies for your Johnson fans or you'll end up with a long reserve list.—*Susan Riley, Mount Kisco Public Library, NY*

Fast paced and very funny, this is the story of high-school senior Jane Jarvis, who gets in over her head—which isn't difficult because she's very short. She's also very smart, and when her best friend, Allison, starts acting oddly, it doesn't take Jane long to figure out that there's some unholy connection between Ally and mysterious Lanalee, a new girl at their Catholic school. Connection, indeed. As it turns out, Ally has sold her soul to junior devil Lanalee in exchange for popularity; however, Jane doesn't buy Ally's tearful confession. Boldly, she informs Lanalee that she will take Ally's place (she really thinks the whole thing is bunk). Bunk it is not, and soon enough Jane finds herself in the fight of (and for) her life. Johnson does a very clever thing here. She takes a typical high-school story about popularity (amusing enough in Jane's snarky voice) and turns it on its head when evil comes on the scene. Decorated in fine detail and well served by a terrific supporting cast, this page-turner will have high appeal and get great word-of-mouth. *Ilene Cooper*
