### **Editorial Review**

From Publishers Weekly

Ortberg, megachurch pastor and author, bases this book on the belief that God is near and knowing him is possible for everyone who wants to feel his presence: "The teaching of Scripture is that God really is present right here, right now.... The Spirit of God is available to you and me: flowing all the time, welling up within us, quenching our unsatisfied desires, overflowing to refresh those around us." Ortberg's suggestions—to believe that God is in everything, to seek him in the daily and mundane, to learn to recognize and encourage God-inspired thoughts, to look for him in the people you meet and to obey his promptings—though not new, provide readers with a series of ideas and activities to begin to change the way they see God in their lives. Ortberg approaches this as a pastor teaching his flock, rather than as a fellow traveler recounting his own search for God; he shares little of his personal experience and is largely dependent on quotes from other contemporary Christian writers to make his main points. Also, the book's cover and chapter titles are quite complex. However, those looking for an approachable, quick read on a difficult subject will appreciate this guide, which alludes to the mysteries of God's intimacy with Christians, but doesn't get bogged down in too many details. (Apr.)
