## On the Boundaries of Theological Tolerance in Islam: Abu Hamid al Ghazali's *Faysal al Tafriqa* (Studies in Islamic Philosophy) From Oxford University Press

Abu Hamid al Ghazali, one of the most famous intellectuals in the history of Islam, developed a definition of Unbelief (kufr) to serve as the basis for determining who, in theological terms, should be considered a Muslim and who should not. Jackson's annotated translation is preceded by an introduction that reconstructs the historical and theoretical context of the *Faysal* and discusses its relevance for contemporary thought and practice.
