**Statistical Methods for the Social Sciences (3rd Edition)** By Alan Agresti, Barbara Finlay

Assuming no prior knowledge of statistics, these authors combine their varied backgrounds—one a statistician, the other a social scientist—to introduce statistical methods with a high degree of statistical accuracy and a wealth of examples that are interesting and relevant to social scientists. The *Third Edition* has been both updated and improved to integrate real-world data into examples and exercises, and make coverage more accessible throughout.
