**The Last Hellion (Scoundrels Book 4)** By Loretta Chase

### **A ferocious conflict of wills...**

Vere Mallory, the Duke of Ainswood, has everything--he's titled, he's rich, he's devastatingly good looking--and he seems determined to throw it all away. Disreputable, reckless, and wild, the last of the Mallory hellions is racing headlong to self-destruction...until a mind numbingly beautiful blonde Amazon knocks him off his feet--literally.

### **An incendiary passion...**

Lydia Grenville is dedicated to protecting London's downtrodden. Dissolute noblemen like Ainswood are part of the problem, not the solution. She would like him to get his big, gorgeous carcass out of her way so that she can carry on with her work. The problem is, Ainswood can no more resist a challenge, especially in female form, than he can resist the trouble she seems to attract.

### **If they can only weather their personal firestorm...**

they might survive the real danger that threatens all they hold dear.

## Editorial Review

### Amazon.com Review

In 1820s England, 28-year-old Lydia Grenville is a few inches under six feet tall and mind-numbingly beautiful. Clever as well as gorgeous, she is the author of a London newspaper's most popular adventure serial and has also penned scathing articles about the prostitution trade in the city. Her less-than-ladylike occupation, checkered past, and questionable lineage make it highly unlikely that she will ever marry a member of the Regency *ton*. However, in keeping with a long legacy of hell-raising ancestors, Vere Mallory, the notorious Duke of Ainswood, has a reputation for flaunting society's dictates. Besides, one look at Lydia and he loses his heart, although at the time, it doesn't occur to him that love is what he feels. He terms it lust and sets out to bed the beautiful Lydia.

What follows is an endearing, hilarious contest of wills between a woman determined to hold her heart and body safe, and a man just as determined to conquer her. In a final, winner-takes-all contest, Lydia and Vere come to terms, but neither is sure just who won and just who lost the wager. Is it possible they may both come out winners? Meanwhile, Lydia's very public crusade against the worst offenders in the city's illegal prostitution business has earned her dangerous enemies. Just when it seems that Vere and Lydia may resolve their personal contest of wills, the dark forces at work in the seamier side of London threaten not only Lydia, but also Vere's beloved nieces.

*The Last Hellion* has a cast of well-drawn characters who play out their scenes against a backdrop of Regency England that's both lushly rich in descriptions of the wealthy and darkly gritty when traveling the back streets where poverty rules.

### From Library Journal

When Vere Mallory, the seventh Duke of Ainswood and the last of the infamous "Mallory Hellions," ends up in the mud after being properly slugged by an outspoken, crusading journalist of Amazonian proportions, he decides to teach her a lesson?and ends up learning a few things himself. Well-matched, appealing protagonists, a lively, witty writing style, and excellent dialog complement this compelling story that addresses some of the more relevant social issues of the Regency era. Chase has won two Rita Awards, including one for *Lord of Scoundrels* (Avon, 1995), the prequel to *The Last Hellion*, and lives in Massachusetts.

### About the Author

Loretta Chase has worked in academe, retail, and the visual arts, as well as on the street—as a meter maid—and in video, as a scriptwriter. She might have developed an excitingly checkered career had her spouse not nagged her into writing fiction. Her bestselling historical romances, set in the Regency and Romantic eras of the early nineteenth century, have won a number of awards, including the Romance Writers of America's RITA®.

## Users Review
