The Walk-Out Woman : When Your Heart is Empty and Your Dreams Are Lost By Steve Stephens, Alice Gray

Every woman longs to be appreciated, respected, and adored, but when her needs aren't met within her marriage, she could be tempted to walk away. As little hurts and disappointments accumulate and her heart hardens, a woman's loneliness and vulnerability take over, and she might find emotional fulfillment elsewhere, perhaps in even a casual encounter with another man. When the marriage enters this realm of real danger, the woman believes it will be less painful to walk away than try to work on it. With heart and wisdom, Dr. Steve Stephens and Alice Gray offer practical advice for how to stop this epidemic of walk-out women. They outline the warning signs of severe marital discontent and share how to reconnect with your spouse, communicate your hurt, and open your heart. If both partners are willing to work at it, any marriage can be saved.
